## Letter from Chamber Executive Director

It is an exciting time to be part of the Quitman Chamber of Commerce! The Chamber represents a business community that has a great appreciation for our rich history and also a deep commitment to work together to foster a common vision of growth and prosperity for the future.

As a Chamber, we have worked diligently to advance the betterment of the Greater Quitman Area by promoting economic development, quality of business practices, facilitating a collective voice in public policy and bolstering civic pride.

Last year we also made several improvements to the Chamber itself. We started the year with a Fresh NEW Logo that better reflects the new vision we have for the Chamber and the community at large. We replaced our website with a BRAND NEW Design that promotes and highlights our members and our community. Our New Website also enables our members to customize their own listing with their logo, business information, website, and links to their social media pages. We added a community calendar to our website to endorse and highlight events in Quitman and the surrounding areas. We expanded our member directory to allow our members to be listed under more than one category providing them another opportunity to advertise the variety services that they may offer. We ended the year with a total of 120 active Chamber Members, welcomed 39 NEW members and held 10 Ribbon Cutting Ceremonies. We finished the year with 3,600 “likes” and 3,649 “followers” on our Facebook page and started an Instagram account that has 260 followers so far. We sponsored and participated in numerous community events and finished the year with one of the most successful Quitman Chamber Golf Tournaments ever!

Our Board of Directors is excited about serving our Members and our Community again this year. Our 2020 vision for The Quitman Chamber of Commerce is clear. We are focused on creating more opportunities for growth, more ways we can facilitate a positive business environment, and more outlets to help our community achieve its common goals. We are proud to be part of the beautiful City of Quitman, Texas, the Heart of Wood County.

Elizabeth Neuens  
Executive Director

# Wood County Old Settlers Reunion

The Old Settlers Reunion, held the first week of August at Governor Jim Hogg City Park, is one of the oldest continuous held festivals in Texas with 2020 scheduled to be the 118th annual affair.

There is a fun midway while local civic clubs have food and drink booths. Bingo

in the park is also a huge hit with the chance to win prizes donated by local business and community members.

The 500-seat pavilion, built in 1899, hosts a variety of nightly entertainment from oldies night to karaoke, gospel and country music during the reunion.

## Wood County Arboretum

A new chapter is unfolding at the Wood County Arboretum and Botanical Gardens, formerly Quitman Arboretum, that offers more hands-on opportunities to explore nature.

New to 2020 is a series of free spring mini-workshops, making it not just a serene place to visit but also a place to grow knowledge through workshops and volunteering.

“Regardless of your level of gardening experience, you can learn something new and put it to work either in your own gardens or at the arboretum,” said Deanna Caldwell, president of the non-profit Friends of the Arboretum, which oversees the grounds.

Workshop topics range from rose pruning to butterfly gardening. Seating is limited, reservations are required. For schedule and sign-ups, visit [www.woodcountyarbo.org](http://www.woodcountyarbo.org) or email [woodcountyarbo@gmail.com](mailto:woodcountyarbo@gmail.com).

The 23-acre arboretum, 175 Governor Hogg Pkwy., is home to the 1869 Stinson House and a host of attractions:

a walking trail, gazebo, sensory garden and new way station for monarch butterflies.

Gardens are free and open all year. The Stinson House is available for tours and private rentals by appointment.

The venue is tended by volunteers, and it takes plenty of helpers to manage the upkeep. People who love the outdoors and history are encouraged to join in.

“The opportunities to volunteer are not limited to gardening,” Caldwell said. “If you are interested in maintaining and showcasing an historic structure, or in the administrative tasks associated with running a non-profit, we can use your help. We have a lovely atmosphere to work in and lots of talented, friendly people to work with.”

The house was originally built in the Speer Community by James A. Stinson, whose daughter Sallie married Jim Hogg, the first native born Texas governor.

To learn more, visit Facebook, the website or call 430-235-5461.

## Quitman Public Library

The Quitman Public Library is located at 202 East Goode Street in downtown Quitman, Texas. The library serves all residents living within the City of Quitman, Wood County and the surrounding area.

The library holds over 30,000 print materials including books, magazines, local and regional newspapers, online databases, movies and audio books. In addition, the library offers e-books and media available on OverDrive.

Each year, hundreds of library patrons utilize print and electronic reference resources, access the Internet through the library’s high-speed wireless connection, enjoy state-of-the-art Wi-Fi service, participate in computer and Internet training, view a library exhibit or attend one of the library’s many events.

Our friendly and professional staff is eager to serve you. Stop by and check out the Quitman Public Library!

## Letter from QDC Executive Director

I am pleased to welcome you to the City of Quitman! Quitman is a wonderful place to raise a family, work and be a part of a great community. Quitman is a quaint little East Texas town with many opportunities and time honored traditions. We have a very proud past and promising future and want you to be part of what we are doing.

We began a huge downtown revitalization campaign in 2016 and have really started to see some major additions to our downtown. In 2019, the Quitman Development Corporation was awarded the “Best Economic Development Game Changer Award” for a small business retail incubator project in downtown. We have some of the best investors and shopkeepers in East Texas, and a visit to our downtown will not disappoint.

Our business park is now home to the largest quilt store in the state of Texas, Stitchin’ Heaven Quilt Shop. Here you will find 17,000 square feet of quilting

space, and they are adding an additional 13,000 square feet to their retail space. They will be adding a new retreat center and cabins along with a distribution warehouse.

2020 is already off to a fantastic start, and we have some big things coming. It is my personal goal to continue to build upon our current efforts to cultivate and grow many more business partnerships in our town. We have land available and many incentives to help you as you grow your business here.

I am always available and would love to visit with you about all that Quitman, Texas has to offer. Please give me a call on my cell phone at 903-268-9054 if I can be of any assistance to you while you are here.

Thank you for choosing Quitman, we look forward to working with you!

Denea Hudman  
Executive Director

## Quitman Medical Services

Quitman has several medical services available to the community. There are many different fields of medical care including UT Health Quitman, CHRISTUS Trinity Mother Francis Clinic, First Physician Clinics, chiropractic care, counseling, dental care, gyms for physical therapy, acupuncture and hospital needs.

Quitman is home to UT Health Quitman. UT Health Quitman was built to provide Wood County with advanced care in a healing environment. Its doors opened in 2013 as East Texas

Medical Center Quitman. In March 2018 East Texas Medical Center joined the UT Health family. As a certified critical access hospital it features 25 private inpatient rooms, 24/7 emergency centers, a network of hospitals and clinics, specialized centers of healthcare excellence, regional rehabilitation/fitness network, regional trauma/emergency system, regional home health coverage and extensive healthcare delivery programs. The UT Health system has one mission: bringing East Texas the world-class care it deserves.

## Flora Masonic Lodge

With the purpose of making good men better, Flora Masonic Lodge #119 has been a rock in the community since it was chartered in 1852. Only the town of Quitman has been in existence in Wood County longer.

When a fire destroyed the first lodge in 1854, the Masons built a 2-story building on Goode Street, housing the Flora Lodge on the second floor while the bottom hosted community churches and school.

From 1949-1999, the Flora Lodge met in their building, that many might recall, on Highway 154. After voting to construct a new lodge, land on highway 37 was donated and the Flora Lodge Masons began construction on a modern building.

While the current building on highway 37 is their home, it also serves the local Order of the Eastern Star chapter, the Ladies' Masonic organization.

The building is available to the community, and has been used for gun safety classes, reunions and civic club fundraisers among

other things.

The 120+ members of the Flora Lodge are a fraternity of leaders often working behind the scenes to do charitable works within the community.

For over 15 years, the Masons have sponsored the "Together Against Drugs" program for Quitman ISD 5th graders in partnership with Law Enforcement.

Through an anonymous essay contest, Flora Lodge awards two \$1000 scholarships to Quitman ISD seniors.

They provide dental products and sponsor the "Fantastic Teeth" program to teach first graders at QISD proper dental hygiene.

Their annual fish fry, held in December, represents the largest single contribution to the Quitman Christmas Sharing program every year.

Annually, Flora lodge donate funds to the Quitman Fire Department, Scouting and the Wood County Sheriff's Kid Fish Program.

To be one, ask one.
