Wood County Automatic Gas 903-763-4000

Family owned, Duncan and Sarah Duke, grew up in the Hainesville and Clover Hill communities of Wood County. Currently son and daughter, Winston and Kim continue to own and operate the 60-year old staple providing propane service to Wood County residents and businesses.

Wood County Automatic Gas maintains its small town values and personality putting its customers first and giving back to the Community. Wood County Automatic Gas donates to various causes and functions during the year with the local schools yearly. Wood County Automatic Gas helped sponsor the golf tournament raising funds for the SPCA for abused and abandoned animals. We also contribute to the local fire departments, Quitman and Hainesville. Our specialty is winter Route deliveries.

Quitman Realty established 1988

Quitman Realty is a full service real estate firm, owned by Reneau Anders and Jerry Williams. It is located in a prime area across from the historic Jim Hogg City Park. It opened in November 1988 and has been involved in all phases of real estate in this rural area, as well as being an active participant in the activities of Quitman churches, schools and civic organizations. Through our investments made in this community, we have developed an extensive property management business, both residential and commercial.

Selling every type of real estate Wood County and the surrounding area has to offer, has been and always will be the main activity of the firm. Quitman Realty is staffed with three full time realtors, all with a minimum of eight years of experience. We are proud to be the oldest real estate firm in Quitman, continuously operating under the same management, at the same location.

Fast, friendly, hometown service

Having been open for 2 ½ years, Scott's Quitman Pharmacy is becoming a staple in the Quitman Community. Pharmacist Randy White, PharmD., and our friendly staff are working hard to provide quality pharmaceutical care to our patients.

Randy's passion for prescription compounding has brought a unique and needed niche to the area. No longer do patients have to travel to the bigger cities to get specialized prescriptions professionally compounded. We also provide a variety of immunizations such as: Influenza, Pneumonia, Zostavax (Shingles), Meningitis, Tdap and B-12 shots.

We pride ourselves on fast, friendly, hometown service. Our building has

2 drive-thru windows for your convenience. We also provide free city-wide delivery every day. Our certified pharmacy technicians will bill Medicare or your insurance company for you.

While we take care of all of your pharmacy needs, we invite you to enjoy shopping in our unique gift department. People come from near and far to shop for candles, home décor, jewelry, Bulldog gifts and much much more.

"Swann Creek Candles have continued to be a favorite here at Scott's Quitman Pharmacy. We have recently added Yankee Candles to our gift line and they are already a favorite, as well," says Alyssa Caldwell. And for a one-of-a-kind experience, don't miss Christmas at Scott's, where you will find most everything you need to get your home ready for the holidays.

Randy and Alyssa as well as the rest of our excellent staff are ready to take care of all of your pharmaceutical and gift needs. Come by and experience Scott's Quitman Pharmacy.

Colegrove Chiropractic Center

Colegrove Chiropractic Center opened on June 2, 1987 and has been your family-friendly chiropractic office ever since. Dr. Johnny Colegrove, D.C. practiced in Dallas for a year before calling Mineola home. He and his wife, Debbie wanted to raise their daughter in a country town and were so happy that they chose Mineola. Fast forward 29 years and you will find that their family has grown, as well as the family owned practice.

“We know how important your family’s health is. We are here to care for your family like our own. We are blessed and humbled that Mineola has been so good to us and we have strived to provide the very best care possible to our friends and neighbors. To provide such a wonderful method of healing such as chiropractic healthcare to the community of Mineola and surrounding areas is a great honor and responsibility, and I hope that they have been blessed by our service and friendship as much as they have blessed me.”

When you walk into Colegrove Chi-

ropractic Center you will feel welcome and at ease with the friendly staff and casual atmosphere that feels a lot more like family than staff. That is because they care deeply for each other as well as each patient that comes to them for help. Come in and meet them. Dr. Colegrove, his wife Debbie, Susan Cannon, Jackie Dammann, Casey Dooley, and even mom, Joyce. Something, you can even catch the grandkids. The newest is sweet little Miles Allen, picture with grandpa (Opa).

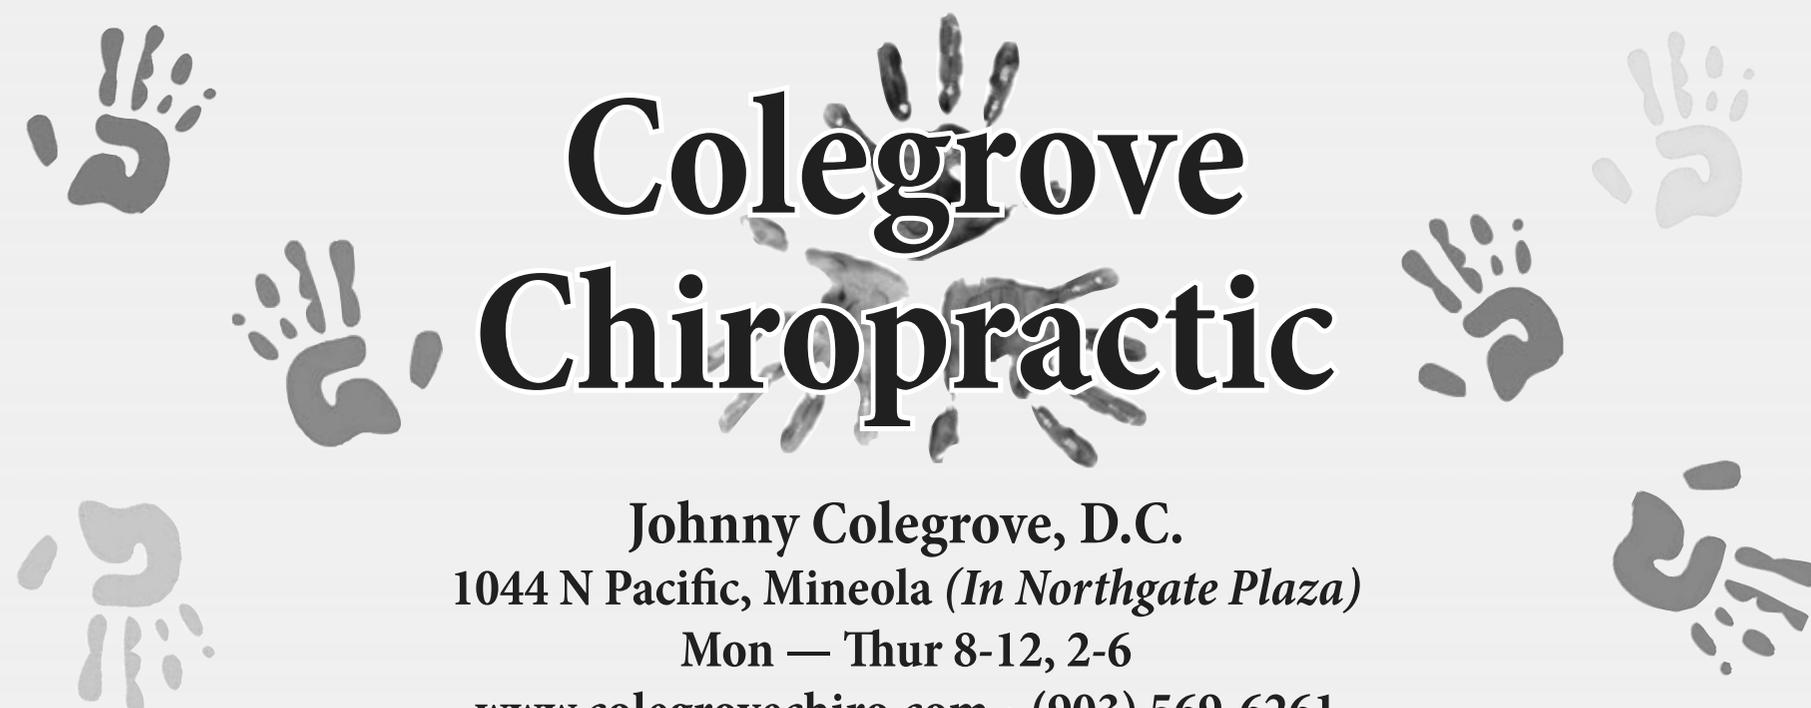

Dr. Colegrove is looking forward to helping you feel your best. A Chiropractor is the best choice to decide if yours is a chiropractic need. Dr. Colegrove’s office provides modality therapy, X-rays, and traditional adjusting as well as newest techniques such as the I.Q. Impulse adjusting, so that he can meet the challenge of meeting your healthcare need. All ages need chiropractic care, so come talk with him. He is here for you.

Part of the community since 1949

Watkins Insurance Group's long history in Texas dates back to 1949 with a single office in Austin, Texas. The company was named Lewis Watkins Farmer agency in the early years. In 1988, David Watkins bought the agency and managed the agency in Austin. In 1994, a new energy was brought in with the second generation joining the industry. Patrick, who is David's son, and Rodney who is David's nephew both started with the agency in 1994. Early days were spent selling during the day and servicing at night.

In August 1994, the Mineola office was opened followed by Hawkins, Holly Lake, Tyler, and Longview in East Texas. In addition offices were opened in Marble Falls, Waco and Cedar Park in Central Texas.

The Lewis Watkins Farmer Agency name was changed to Watkins Insurance Group and as busi-

Jonathan Watkins, Mayor Rodney Watkins and Nic Watkins.

ness expanded the employee count grew. Now with over 130+ employees Watkins serves customers in Texas and throughout the United States. Watkins Insurance Group is currently licensed in the vast majority of states.

While Watkins Insurance Group has become a prominent force in the insurance industry in Texas, we are proud to still offer family values that were instilled by David Watkins. A picture of David Watkins hangs in the Mineola and Austin office with the

title of Chief Morale Officer to remind everyone of the family values David instilled on the agency back in the early 90's.

Patrick Watkins is a partner and is President of Watkins Insurance Group. Serving with Patrick is Rodney Watkins who is a partner and has the title of President East Texas. In addition, five additional partners have been brought in during the past 20 years.

Rodney's two sons, Jonathan and Nicholas, joined the agency in 2008 and 2010, respectively. Jona-

than is the Administrative Manager of East Texas and Nicholas Watkins serves as producer in the Mineola office. Nic and Jon's mother Anita Watkins joined the organization in 1996 and continues to act as receptionist for the Mineola office. Rodney's brother, Ricky Watkins, has served as manager of the Tyler office since 1998. Watkins Insurance is proud of all their employees and especially proud of those that have tenure with the agency. The ones who have served more than 10 years include Rodney Watkins, Sandra Dawson, Lucy Carr, Anita Watkins, Ricky Watkins, Rhonna Piercy, Clint Westbrook, Cindy Cunningham, Betsy Smith, Melissa Chrietberg and Nichol Cook. Those that have served more than 5 years include Jonathan Watkins, Theresa Carlisle, Denise Turpin, Nicholas Watkins, Karen Woodward, Sherry McClenny and Magan Cleveland. Other key employees in our East Texas agencies are Tiffany Mancil, Nicole Yarbrough, Kayla Williams, Shylo Tate, Tiffany Lindley, Angie Turvan, Shelby Herring and Kristi Knebel Wolchansky.

Watkins Insurance Group continues to push for a priority to be placed on obtaining designations within the insurance industry. Rodney Watkins has obtained the Certi-

fied Insurance Counselor (CIC) and the Certified Risk Manager (CRM) designations. Several staff members continue to work towards the CIC and other designations including Jonathan Watkins and Melissa Chrietberg in the Mineola office. Other Mineola staff members with designations include Theresa Carlisle and Nic Watkins.

Watkins Insurance Group also strives to support our local communities. Jonathan Watkins serves on the board of Directors for the Independent Insurance Agents of Tyler and is President elect for the organization. Nic Watkins serves on the City of Mineola Main Street board of directors and is active in the Mineola community. Rodney currently serves as mayor of Mineola, board member with ETMC - Quitman (since 1995), previous MISD school board member for 5 years, currently serving on the board of directors for the Independent Insurance Agents of Texas in Austin and has served on various other boards over the past 22 years in Mineola.

The staff at Watkins Insurance Group is dedicated to being professionals with current customers and potential new customers in explaining coverage and details in a way customers can understand. Our goal is to help you prepare and avoid potential financial crisis should a loss occur.

Ozarka: Major East Texas employer

Ozarka's Wood County Bottling Facility in Hawkins, Texas, is proud to be a homegrown business in East Texas. In December 2002, Ozarka opened its state-of-the-art 415,000 square foot bottling facility in Hawkins and was one of the first food-and-beverage manufacturing facilities in the nation to earn LEED (Leadership in Energy and Environmental Design) Certification from the U.S. Green Building Council.

The Wood County Bottling Facility proudly produces Ozarka Brand Natural Spring water in 1 liter, 24 oz, 12 oz, ½ liter and 8oz. bottles,

straight from Wood County springs. We currently have over 250 employees at our bottling facility with an annual payroll of more than \$14 million dollars.

Our bottling facility was significantly damaged in the April 29, 2016 tornado that destroyed numerous buildings and homes across East Texas. Thanks to our Hawkins Spirit, and the hard work of our emergency services, local Ozarka employees and rebuilding teams, we are proud to be back up in operation and ready to deliver our high-quality, East Texas spring water to consumers around the state.

Kelly Drug - Locally owned, locally operated, locally grown, and locally loved

Here at Kelly Drug our goal is to build the relationship between you and your pharmacy that may be missing from the other corporate pharmacy models. Whether it's prescription medications or over the counter products we are here to answer any and all questions you may have.

As your hometown pharmacy we want to get to know you and to be the neighborhood pharmacy you can count on. We strive to service our customers as quickly as possible, so if you are in a rush we can get you in and out the door in a timely matter.

We accept most all insurance and have very competitive pricing for cash paying customers.

Come in today and experience our personal level of care, from a staff who knows and treats you like family.

Paddy's Autoworks celebrates 19 years serving the Quitman and Wood County area

Paddy's Autoworks opened their doors in January 1998. Patrick (Paddy) and Donna Carroll moved their family to this community to open a shop and raise their 2 boys.

19 years later the business is going strong and the 2 boys are grown. Sean is serving our country in the US Navy. Casey is a chef with ETMC hospital.

They have been involved in local churches as well as starting a food ministry several years ago.

Paddy now has over 40 years experience in the auto repair industry and Paddy's Autoworks has developed a reputation of being able to fix any problem you may have with your vehicle (especially problems other shops have not been able to figure out!).

Paddy's Autoworks works hard to keep up with the fast moving technological advances in the auto repair industry. They strive to expand their services as needed.

Besides excellent diagnostic abilities, they also strive to have the best customer service around. They keep customers informed about what is happening as well as giving rides to and from the shop. They also have free loaner cars (when available) for their customers to use if needed.

They are located 8.5 miles east of Quitman on State Hwy 154.

Try them today. You won't regret it!

I continue to receive quality care of my automobile. I am a returning customer and would not trust my vehicle with anyone else but Pat and Donna. More importantly is the care they extend to me, picking me and returning me to my home when my vehicle needs to remain in the shop. True Christians.

Jen Q, Holly Lake Ranch

What a great surprise to get a job status call!! We are very much pleased with your work and service. It's wonderful to know you are someone in the business that we can trust. Your business card says it all. God's word is always a comfort.
