Letter from Chamber Executive Director

Nestled in the heart of Wood County, Quitman is a quaint, yet thriving town building upon its rich history. This year we've seen great exponential growth with new restaurants and retail shops opening up.

It's a great opportunity to be a part of the Chamber of Commerce of Quitman, Texas. We promote our members through website listings, business referrals, networking opportunities, chamber member directories and social media. Our directories reach over 10,000 readers, not including website viewership.

The Chamber is constantly working to make Quitman a place for businesses to grow to their full potential. Alongside our partners, the City of Quitman and Quitman Development Corporation, we strive to pursue a positive and productive business environment for our members and the citizens they serve.

Come find out why Quitman was named "Most Improved Town" by County Line Magazine and why we like to think of ourselves as the heart of Wood County.

Elizabeth Neuens
Executive Director
Chamber of Commerce of Quitman, Texas

 The advertisement is a collage. On the left, a glass display case filled with various pastries and breads. In the center, a decorative vertical logo featuring a stylized coffee cup and floral motifs. On the right, a close-up of two round, yellow pastries dusted with white powder. At the bottom, a white and brown paper coffee cup with the "SPEAKEASY COFFEEHOUSE" logo, next to a small, ornate brass bell.

Wood County Arboretum

A beloved attraction in the heart of Quitman is celebrating a new name, expanded features and a sunny outlook that nature enthusiasts are sure to appreciate.

Change is in the air at the Wood County Arboretum & Botanical Gardens, formerly Quitman Arboretum, to create new opportunities for people to explore the gardens and learn about the wonders of nature.

An all-volunteer force is adding new plant species, holding special events and offering gardening classes to inspire people to get outdoors and enjoy the beauty of this East Texas gem.

“We’re really excited about the changes,” said Deanna Caldwell, president of Friends of the Arboretum, which oversees the grounds. “We hope people will come out and enjoy what the Wood County Arboretum has to offer.”

The 23-acre arboretum, 175 Governor Hogg Pkwy., is home to the 1869 Stinson House and a host of attractions for people who love the outdoors.

The grounds include a walking trail, gazebo, sensory garden and special planting areas for shade loving species and water conservation.

There are numerous flower beds and gardens, featuring everything from azaleas to time-tested heirloom roses, so each change in the season is a delight to the senses.

Gardens are free to the public and open all year round.

The Stinson House is open by appointment and is available to rent for private events, such as weddings and

luncheons.

The structure was originally built in the neighboring community of Pine Mills by James A. Stinson, who moved to East Texas from Georgia and established a timber and sawmill.

His home was constructed of virgin pine and hardwood, harvested out of Wood County. Daughter Sallie Stinson would later marry Jim Hogg, a former Justice of the Peace in Quitman best recognized as the first native born Texas governor.

The Hogg family raised four children, including a girl named Ima, who was instrumental in having the old family home moved in 1968 from Pine Mills to its current location in Governor Hogg Park where it served as a museum.

Texas Parks and Wildlife managed the house for many years until funding cuts forced its closure. The home was incorporated into the Arboretum in 2009, and today the stately structure is maintained by a host of dedicated volunteers.

The arboretum routinely attracts a steady stream of visitors, even serving in recent years as the filming location of the 2016 dramatic comedy *Jerico*, accepted in the Cannes Film Festival.

People wishing to support the continued successes of the arboretum and, at the same time honor the past, may do so through a special tribute program, designed to commemorate a special person or memory.

Tribute participants can sponsor a flower bed, memorial tree or bench and join in special receptions highlighting

Letter from QDC Executive Director

I am pleased to welcome you to the City of Quitman! Quitman is a wonderful place to raise a family, work and be a part of a great community. Quitman is a quaint little East Texas town many opportunities and time honored traditions! We have a very proud past and promising future and want you to be part of what we are doing.

We began a huge downtown revitalization campaign in 2016 and have really started to see some major additions to our downtown. We have partnered with some of the best investors and shopkeepers in East Texas and a visit to our downtown will not disappoint! Our business park is adding a new retail and distribution center that will be complete by mid-summer and there will be much more coming! We have land available and many incentives

to help you as you grow your business here!

2019 is going to be an outstanding year in Quitman. It is my personal goal to continue to build upon our current efforts by more proactively engaging some of the key stakeholders groups (including elected officials, chamber of commerce, school district and major employers) to cultivate and grow many more business partnerships in our town.

I am always available to you and would love to visit more with you about all that Quitman, Texas has to offer. Please give me a call on my cell phone at 903-268-9054 if I can be of any assistance you while you are here!

Thank you for choosing Quitman, we look forward to working with you!

Wood County Old Settlers Reunion

The Old Settlers Reunion, held the first week of August at Governor Jim Hogg City Park is one of the oldest continuous held festivals in Texas with 2019 scheduled to be the 117th annual affair. There is a fun midway while local civic clubs have food and drink booths. Bingo in the park is also a huge hit with the chance to win prizes donated by local business and community members. The 500-seat pavilion, built in 1899, hosts a variety of nightly entertainment from oldies night to karaoke, gospel and country music during the reunion.
